Board Policy 5517.01 in part states:

**“Reporting Requirement**

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents (of bullying) and post the summary on the District website (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school sponsored events.”

Written below is the Bullying Summary for the first semester of the 2017/18 school year to be posted on the website and to submit to the Board of Education.

**Report to the Board President on Bullying in the Dublin City Schools for the first semester of the 2017/18 School Year**

During the first semester of the 2017/18 school year, the online reporting site received 60 reports of which one was determined to be a false report. Of the remaining 59 reports, 30 were for bullying, harassment or intimidation. Each report containing enough information was investigated and details on the action taken was entered into the Public School Works Behavior Management system. These actions could range from conferences with students involved to out of school suspensions. The bullying report breaks down into 5 elementary reports, 6 middle school reports and 19 high school reports. This system ensures we meet all of the standards of the policy and the law.
