Report to the Board President on Bullying in the Dublin City Schools for the first semester of the 2018/19 School Year

During the first semester of the 2018/19 school year, the online reporting site received 91 reports of which six were determined to be false reports. Of the remaining 85 reports, 31 were for bullying, harassment or intimidation. Each report containing enough information was investigated and details on the action taken was entered into the Public School Works Behavior Management system. These actions could range from conferences with students involved to out of school suspensions. The bullying report breaks down into 6 elementary reports, 4 middle school reports and 21 high school reports.

This system ensures we meet all of the standards of the policy and the law.
