SAVE PROMISE CLUBS

SAVE (Students Against Violence Everywhere) Promise Clubs are a place for young people across the country to show their leadership, creativity and passion for protecting their friends, schools and communities from violence *BEFORE* it happens.

SAVE Promise Clubs are established and led by students, and are a powerful approach to preventing gun violence (and other forms of violence and victimization) because they recognize the unique role that young people play in making their schools and communities safer.

A SAVE Promise Club can be a stand-alone club or embedded into an existing club, such as SADD, Student Council, FCCLA, or another student leadership, civic or kindness club. Many SAVE Promise Clubs are successful meeting only once or twice a month and organizing 4 activities throughout the year.

Sometimes the most powerful thing you can say
is nothing at all.
