

APPLY NOW TO DBA

Philosophy

The Dublin Business Academy (DBA) provides students with an opportunity to get started on the path to a successful career in business. This unique and challenging, non-traditional program is for students interested in business, graphic design, or entrepreneurship.

About

- **DBA is a two period class based at the Emerald Campus next year.**
 - 2 credit hours: 1- Entrepreneurship, .5 Applied Marketing, .5 Business Management
- **The DBA helps students, interested in business, pursue that interest and get their feet wet in that field.**
 - 21st century skills, including business communications and etiquette.
 - Use of class learning business foundations, then putting them in practice.
- **Students rotate through various focus groups to give them hands on learning experiences in different aspects of business:**
 - Rotations include: Sales, marketing, design, management, production/operations, and accounting.
 - Experiences include: REAL customers in/out of the district and membership in Business Professionals of America (BPA).
- **Field Trips, Guest Speakers, and an Advisory Committee.**
 - Local industry stakeholders: Dublin and Union County Economic Development leaders, Ares Sportswear, Anthony Thomas, Spectrum, business college department chair, and more.
 - DBA is a program offered by Tolles in partnership with Dublin Schools.

How do I apply?

→ Students going into 11th and 12th grade should fill out an application by clicking on the QR Code. ↓
