

# Community First Aid/CPR/AED

AHA HEARTSAVER FIRST AID, CPR AND AED FOR ADULT, CHILD AND INFANT

## American Heart Association First Aid/CPR/AED

The course is offered in 2 parts: Virtual class and in-person skills check. Register for a virtual class by visiting [OhioHealth.com/Sports-Medicine-Classes](https://OhioHealth.com/Sports-Medicine-Classes). After you register, you will receive a link to sign up for the in-person skills check. Once you complete both parts you will receive your certification card.

Cost for the class is \$75\* and can be paid by check, credit card or debit card at the time of class. Email Amy Harrison with questions at [Amy.Harrison@OhioHealth.com](mailto:Amy.Harrison@OhioHealth.com).

## Audience

This course trains participants to provide first aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner.

This course is designed for anyone with little or no medical training who needs a course completion card for their job, regulatory (e.g., OSHA), or other requirements, or anyone who wants to be prepared for an emergency in any setting.

### This course includes:

- + First aid basics
- + Medical emergencies
- + Injury emergencies
- + Environmental emergencies
- + Preventing illness and injury
- + Adult CPR and AED use
- + Child CPR and AED use
- + Infant CPR
- + Opioid-associated life-threatening emergencies.

This course is ideal for high school students.
