

Dublin City Schools Schedule Change Request Form

For Office Use Only:

Date received: _____

Date changed: _____

PLEASE READ CAREFULLY: From the time a student returns the course request form (January) until the end of the school year (May), a student may request a schedule change. In these cases, this form is **NOT** needed. It is important to realize that our master schedule is based upon the student requests made in January. In order to be fiscally responsible, the number of class sections within each subject area is based on these projections. These requests also dictate new teacher hires during the summer. Once classes are scheduled, it is difficult to make a schedule change because many classes will be at or near capacity. Students may not be enrolled in a class that is considered filled. **Once a student has received his/her schedule in August, through the remainder of the school year, this form must be completed to propose a schedule change.**
