

# Benefits of PSAT™ 8/9

Take the first step on the road to college.

The PSAT™ 8/9 helps you:

## Get started

The PSAT 8/9 tests what you learn in class and allows your school to see the areas where you are on track for success in college. You'll also be able to pinpoint the skills that need more attention and practice.

## Get matched with AP® courses

If you're in ninth grade, your score report will let you know which of select AP courses may be a great match for you. AP gives you an opportunity to earn college credit while still in high school and can help you stand out when you apply to college.

## Get better

After you take the PSAT 8/9, you can create a free SAT® study plan on Khan Academy® based on your test results.

Ask your counselor when your school is offering the PSAT 8/9. To learn more about the test, visit [psat.org/8-9](https://psat.org/8-9).
