

**Eager Engineers**

For Gr. 1-5 (Fall '23)

## Eager Engineers: Summer Fun

Dublin Schools: Bailey Elementary

Eager Engineers is about building— with Lego's, K'nex, Citiblocs, LED Lights, Batteries & more. With these we build excitement, discovery, self-confidence— and learn a few things too! Our projects develop hands on learning while incorporating STEAM concepts, and our blog details the STEAM concepts taught. *Minimum of 2 building projects each day.*

**Summer Fun projects include:** K'nex T-Rex, Zip Lines & Fishing Rods; Lego Pontoon Boats, Lantern w/Camper & Field Goal; Citibloc Spider, Cricket, Hourglass Tower & more.

Classes Held:

**May 30– June 2**  
**Bailey Elementary**  
**9am-12pm each day**

Tuition:

**\$220 per student**

Payment Options:

enroll online at  
[www.creativeclasses.org](http://www.creativeclasses.org)  
Visa, MC, Discover, Amex  
(credit or debit)

For more information about us, please visit [www.creativeclasses.org](http://www.creativeclasses.org)

***Eager Engineers Summer Fun Camp: Your tuition covers all the supplies and materials used in the camp. Two projects each day. Class is limited to 20. Drop off is at 9am in our classroom, and pick up is at the front doors of the school at 12pm sharp. Look for our blog about the STEAM concepts taught with each project!***

*\*Session dates and off dates are on the calendar link at the bottom of your emailed receipt. Download that link so you never miss a class!*
