5114 - FOREIGN-EXCHANGE STUDENTS

The Board does not admit students through foreign-exchange programs (students entering the United States to attend public school by way of an organization recognized and approved by the United States Department of State as an exchange visitor program sponsor). This Policy is not intended to apply to other foreign students residing in the District who must be enrolled in accordance with State law. High school foreign students on VISA (I-20) may be enrolled pursuant to the criteria set forth in Administrative Guideline 5114A - Foreign Students on VISA (I-20) (High School Students Only).
