

Dublin City Schools Facebook Fan Page Guidelines

The Dublin City Schools Facebook Fan Page is provided for the district community by the Dublin City School District. This page will be updated as often as is possible. The purpose of this page is to share the achievements of our students and staff, as well as other relevant school district information.

All posting of comments on this page are at the discretion of the page administrator. The intent of this policy is not to keep any negative or critical information from being posted, but to protect the privacy and rights of Dublin City Schools staff and students.

The page administrator will review all postings to make sure they do not violate the district's Acceptable Use Guidelines regarding Internet access and practices, as well as Family Educational Rights and Privacy Act provisions.

People making comments on the page are expected to show respect for their fellow users by ensuring the discussion remains productive. Comments are also subject to Facebook's Terms of Use and Code of Conduct.

We welcome your thoughts and comments. However, we will not leave postings that:

- Contain abusive, discriminatory or inappropriate language or statements. This includes remarks that contain obscenities or are sexually explicit.
- Easily identify students and/or staff in defamatory, abusive, or generally negative terms. If you disagree with the content, we ask that you refrain from personal attacks or being disrespectful of others.
- Do not show proper consideration for others' privacy or are considered likely to offend or provoke others
- Are off topic. We will exclude comments not related to the subject of the conversation. If you have a question to ask on a different topic, please contact us via email at info@dublinschools.net.
- Are spam – i.e. repeatedly posting the same comment or comments that are simply advertising/promoting a service or product.
- Break the law or encourage others to do so. This includes respecting copyright and fair use laws. If you are talking about somebody else's work, reference this or the person, and where possible include a link.

If you have feedback or would like to report an inappropriate comment for us to review, send an email to info@dublinschools.net.

All statements and viewpoints expressed in the comments are strictly those of the commenter alone, and do not constitute an official position of the Dublin City School District unless they are posted by the original author (who is an authorized representative of the District) or by a subject matter expert responding on behalf of the District.
