

## **Dublin City School District**

**Private Provider Plan** 

Professional Staff 3120.091 F1 Revised 12/12/12

- This plan must be completed annually by the private provider and returned to the Student Services Department at Central Office.
- When all paperwork is complete at Central Office, the form will be sent to the school nurse.
- The school nurse will make a copy for the student's health file, teacher, and principal.
- A substitute provider will not be provided by Dublin City Schools or the parents without prior consent of the district.
- Availability of staff will be determined by the district.
- The district has the option to phase out private provider services as mutually agreed upon by school personnel and parent.
