UPDATE ON PROPOSED NEW REGULATIONS

- Anticipate an effective date in January 2024.
- Complaints that are pending when the new regulations go into effect will likely be subject to the 2020 regulations.
- More on the proposed new regulations later...

TITLE IX BACKGROUND

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

20 U.S.C. § 1681(a).

- **A: Any person participating in an educational program in the United States that receives federal financial assistance.**
 - Students.
 - Staff.
 - Applicants for admission.
 - Visitors and community members.
 - Contractors, such as referees.

EXAMPLES OF SEXUAL DISCRIMINATION IN EDUCATION

- Recruitment, Admissions & Counseling
- Financial Assistance

- Retaliation
- Treatment of Transgender Students

TITLE IX BACKGROUND

- **Q: What does Title IX protect against?**
- **A: Exclusion from participation in, or denial of benefits of, any educational program or activity on the basis of sex.**

NOTE ON TERMINOLOGY

- Sexual harassment is a type of sex discrimination. Sexual harassment includes various sex crimes and abuse, such as rape, molestation, and other forms of sexual violence.
- Today's webinar focuses largely on sexual harassment, in part because of major regulatory changes in 2020.
- “Harassment” can mean a lot of different things:
 - Someone being mean or unkind.
 - Bullying (Ohio law defines “bullying” as “harassment, intimidation and bullying”).
 - Discrimination – harassing conduct based on a protected class, such as sex.
 - Criminal child abuse or sex crimes.

ADULT SEXUAL MISCONDUCT

- According to estimates from the Government Accountability Office, 1 in 10 students will be subjected to adult sexual misconduct (ranging from inappropriate to criminal conduct) during their K-12 academic careers.
- Sexual harassment reporting, practices, policies and prevention efforts matter!

A Training Guide for Administrators and Educators on Addressing Adult Sexual Misconduct in the School Setting

TITLE IX ENFORCEMENT – REGULATORY

- United States Department of Education’s Office for Civil Rights (“OCR”) oversees Title IX compliance. OCR also enforces other federal civil rights laws that apply to schools.
- OCR issues regulations regarding Title IX. See 34 C.F.R. Part 106.
- OCR has the power to receive complaints alleging violations of Title IX, investigate complaints, issue remedial measures and sanctions, and even take away a school’s federal funding for violations of Title IX.

TITLE IX ENFORCEMENT - LAWSUITS

- Individuals may file private lawsuits to seek awards of money damages.
- *Franklin v. Gwinnett Public Schools* (1992): Money damages are an available remedy in a private lawsuit alleging a school's intentional discrimination in violation of Title IX.
- *Gebser v. Lago Vista Independent School District* (1998): A school district is liable for failing to respond to a teacher's sexual harassment of a student if a school official who had authority to institute corrective measures on the district's behalf had **actual notice** of, and was **deliberately indifferent** to the teacher's misconduct.
- *Davis v. Monroe County Board of Education* (1999): A school district is liable for failing to respond to a student's sexual harassment of another student if the district was **deliberately indifferent** to known acts of harassment in its programs or activities, and the harassment was **so severe, pervasive, and objectively offensive** that it effectively barred the victim's access to an educational opportunity or benefit.

THE ROLE OF THE TITLE IX COORDINATOR

TITLE IX COORDINATOR

- All districts must designate at least one employee to coordinate their efforts to comply with and carry out their responsibilities under Title IX and provide notification of that employee's contact information.
- Consider multiple coordinators.

TITLE IX COORDINATOR RESPONSIBILITIES

- Coordinate compliance.
- Have knowledge of the district's policies and procedures on sex discrimination and be involved in the drafting and revision of such policies and procedures to help ensure that they comply with the requirements of Title IX.
- Coordinate the district's response to all reports and complaints involving possible sex discrimination, including sexual harassment; monitor outcomes; identify patterns and assess effects on the school climate.
- Provide training and technical assistance on school policies and procedures related to sex discrimination and develop programs to train and educate the school community on their rights and obligations under Title IX.
- 2020 regulations focus: Case management and record-keeping.

TITLE IX COORDINATOR RESPONSIBILITIES

RECORD-KEEPING

The district maintains the following records for a period of seven years:

- Documentation of the district's response to a report or formal complaint of sexual harassment. Such documentation must include:
 - Any actions, including supportive measures, taken and designed to restore or preserve equal access to the district's education program or activity.
 - If supportive measures were not provided, documentation of the reasons why such a response was not clearly unreasonable in light of the known circumstances.
 - Documentation for the basis that its conclusion that its response to the report or complaint was not deliberately indifferent.
- Documentation of each sexual harassment investigation, including any determination regarding responsibility, any disciplinary sanctions imposed on the Respondent, and any remedies provided to the Complainant designed to restore or preserve equal access to the district's education program or activity.
- Any appeal and the appeal outcome.
- Any informal resolution and the outcome.
- All materials used to train Title IX Coordinators, investigators, decision makers, and any person who facilitates an informal resolution process.

OSU / STRAUSS CASE HIGHLIGHTS IMPORTANCE OF DOCUMENTATION

- In general, the statute of limitations applicable to Title IX claims in Ohio is two years; however, federal standards govern when that period begins to run.
- The 6th Circuit held the “discovery rule” applies to Title IX cases. That means a claim accrues (i.e., the two-year window to sue starts to run) when a plaintiff knows or has reason to know that the defendant injured them.
- Factors that led the Court to conclude the plaintiffs could pursue their claims against OSU despite the amount of time that had lapsed between the conduct and lawsuit were as follows:
 - OSU is a vast institution.
 - Even if the plaintiffs had enough “snippets” of information to cause them to investigate potential claims against OSU at the time, they would not have uncovered OSU’s knowledge.
 - Most of the plaintiffs plausibly alleged they did not know that they were abused.

OSU / STRAUSS CASE HIGHLIGHTS IMPORTANCE OF DOCUMENTATION

- In addition, the statute of limitations does not begin to run for minors until they turn 18.
- These things mean students could bring a Title IX claim decades after the investigation is complete.
- Witnesses may be unavailable when a lawsuit is filed so the documentation you create takes on even more importance.

TITLE IX TERMS AND DEFINITIONS

TITLE IX LINGO (TERMS)

Recipients: School districts are now referred to as “recipients.”

Complainant: A person alleged to be the victim of conduct that could constitute sexual harassment.

Respondent: A person who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Supportive Measures: These are your “interim measures.”

Determination of Responsibility. Finding whether a person is responsible for sexual harassment.

Advisors: Parties may have an advisor, who may be an attorney, participate in the process.

TITLE IX LINGO (DEFINITIONS)

Sexual Harassment: Conduct on the basis of sex that satisfies one or more of the following:

- An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct (i.e., *quid pro quo* sexual harassment);
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it **effectively denies** a person equal access to the recipient's education program or activity; OR
- "Sexual assault," "dating violence," "domestic violence," or "stalking," as defined by federal law.

EXAMPLES OF EFFECTIVE DENIAL OF EQUAL ACCESS

- Schools must evaluate whether a reasonable person in the complainant's position would be effectively denied equal access to education compared to a similarly situated person who is not suffering the alleged sexual harassment.
- Skipping class to avoid a harasser, decline in a student's grade point average, or having difficulty concentrating in class.
- A third grader who starts bed-wetting or crying at night due to sexual harassment.
- A high school wrestler who quits the team but carries on with other school activities following sexual harassment.
- A student need not have already suffered loss of education before being able to report sexual harassment.
- Effective denial of equal access to education does not require that a person's total or entire educational access has been denied.
- Complainants do not need to have dropped out of school, failed a class, had a panic attack, or otherwise reached a "breaking point" or exhibited specific trauma symptoms to be effectively denied equal access.

(From OCR's July 2021 Q&A)

TITLE IX LINGO (DEFINITIONS)

Note on Training

- How are you training employees to report?

NEW TITLE IX LINGO (DEFINITIONS)

Deliberate Indifference

- Failure to respond reasonably in light of known circumstances.
- (Old rule: The school must take immediate action to eliminate the sexual harassment or sexual violence, prevent its recurrence, and address its effects.)

 - Black's Law Dictionary: “Conflict of interest” means a real or seeming incompatibility between one’s private interests and one’s public duties.
 - May not be biased for or against complainants or respondents generally.

- A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the recipient.
- As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the recipient) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under the regulations.

Report

Respond

Formal
Complaint

Grievance
Procedures

● **When the Title IX Coordinator receives a report of sex harassment, they must contact the Complainant and provide specific information:**

- **Discuss the availability of supportive measures;**
- **Consider the Complainant's wishes with respect to supportive measures;**
- **Inform the Complainant of the availability of supportive measures, with or without the filing of a formal complaint.**

SUPPORTIVE MEASURES

- *Supportive measures* means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a formal complaint or where no formal complaint has been filed.
- Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.
- Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.
- Must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide the supportive measures.
- The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

TITLE IX COORDINATOR'S INITIAL ASSESSMENT

- Consider involvement/coordination with law enforcement.
- Consider other applicable policies, codes of conduct involved.
- Consider jurisdiction and mandatory/permissive dismissal.
- Consider Complainant's wishes regarding a formal complaint.
- Consider Complainant's request for confidentiality or no action.
- Consider whether to initiate a formal complaint and investigation.
- Consider district safety and the obligation to promptly respond in a manner that is not deliberately indifferent.
- Consider whether informal resolution could be appropriate, if a formal complaint is filed.
- Consider emergency removal/administrative leave.
- Consider consolidation of complaints.

TITLE IX COORDINATOR- INITIATED COMPLAINT / INVESTIGATION

When required by policy (i.e., where student alleges sexual harassment by an employee).

Where the conduct is an alleged crime.

Where disciplinary action against the employee or student would result if the allegations are true.

Where district safety or the obligation to promptly respond in a manner that is not deliberately indifferent are implicated by failure to pursue a formal complaint/investigation.

- ✓ Notice of the grievance process, including any informal resolution process;
- ✓ Notice of the allegations, including sufficient detail (i.e., names of known parties, the conduct alleged to be sexual harassment, and the date and location of the conduct, if known) to allow the respondent to prepare a response before an initial interview;
- ✓ A statement that the respondent is presumed not responsible for the conduct and that responsibility will be determined at the conclusion of the grievance process;
- ✓ Notice of the parties' right to have an advisor (who may be, but is not required to be, an attorney) and to inspect and review evidence; and
- ✓ Notice of any provision in the code of conduct that prohibits knowingly making false statements or providing false information in the grievance process.

Written Notice Upon Receipt of Formal Complaint

JURISDICTION & DISMISSALS

JURISDICTION

- To file a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the recipient.
- “Education program or activity” includes locations, events, or circumstances over which the recipient exercised **substantial control** over both the **respondent and the context** in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution.

JURISDICTION

- What about off campus conduct?
 - Jurisdiction may still lie if there is control over the Respondent and the context, even if it occurs off campus.
- For off-campus misconduct outside the jurisdiction of the district, there may be in-program effects.
- Even if no jurisdiction under Title IX, a non-disciplinary remedial response would be best practice.
- May also want to look to other policies and code of conduct.

MANDATORY DISMISSAL OF FORMAL COMPLAINT

- Must dismiss a formal complaint if:
 - The conduct alleged in the formal complaint would not constitute sexual harassment as defined in the law/policy, even if proved;
 - If the conduct alleged did not occur in the recipient's education program or activity;
 - If the conduct alleged did not occur against a person in the United States.
- Such dismissal does not preclude other action under the District's code of conduct or other policies.

DISCRETIONARY DISMISSAL OF FORMAL COMPLAINT

- The District may dismiss a formal complaint or any allegations in the complaint if:
 - Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations;
 - The Respondent is no longer enrolled or employed by the District;
 - Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations.
- Upon dismissal, must promptly send written notice of the dismissal and the reasons to the parties.
- Dismissal may be appealed to the appeals decision-maker.

EMERGENCY REMOVALS

- A school can remove a student from the school's education program or activities on an emergency basis if the Respondent poses an immediate threat to anyone's physical health or safety.
- The district must undertake an individualized safety and risk analysis, determine that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- A school may place an employee on administrative leave during an investigation.

SCENARIO

- Evan, a high school senior, confides in his PE teacher that his intervention specialist is “overly touchy.” He says that he feels like she has a crush on him and pays him way too much attention in class, He shared that she “creeps him out” and has gone out of her way to touch his arms and shoulders.
- Mr. Goodreporter, the PE teacher, reports the conversation to the Principal, who contacts you.
- What’s next?

SCENARIO

Katie is a Junior on the school's dance team and has dated two different football players this year. She had sex with both of them and now that she has broken up with them, they've told the entire team about the details of everything they've done. The boys have shared intimate texts and sexting between the two of them and now the whole school knows. Katie has been called a "slut" and a "whore" by various classmates, but especially by Nick, her most recent boyfriend. Twice she has been in the hallway at school at her locker and had her butt grabbed by someone, and she doesn't know who it was. She files a formal complaint naming Nick as the Respondent and delivers it to the Title IX Coordinator.

INFORMAL RESOLUTION

INFORMAL RESOLUTION CONDITIONS

- Districts may not offer an informal resolution process unless a formal complaint is filed.
- Districts may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment.
- Districts may not require the parties to participate in an informal resolution process.
- However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the recipient provides written notice disclosing certain items (next slide).
- Prior to informal resolution, the district must obtain the parties' voluntary, written consent to the informal resolution process.
- **Districts cannot offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.**

Notice to the parties must include:

- ✓ the allegations,
- ✓ the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and
- ✓ any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Written Notice Prior to Informal Resolution

THE ROLE OF THE INVESTIGATOR

INVESTIGATIONS

- Mandatory separation between the investigation function and decision-making.
- Respondent is not just “innocent until proven guilty,” but must be presumed not responsible for the conduct throughout the entire investigation process.
- Parties are entitled to view all evidence directly related to the allegations of sexual harassment.
- Confidentiality of party and witness names is over.

HOW MANY HATS CAN AN INVESTIGATOR WEAR?

Investigator

Person designated to investigate, gather evidence and compile an investigation report.

Investigator may also be the Title IX Coordinator.

Decisionmaker

Person who issues a written determination regarding responsibility.

Cannot be the same person as the Title IX Coordinator or the Investigator.

Appeals Designee

Must offer both respondent and complainant an opportunity to appeal.

Cannot be the same person as the Title IX Coordinator, Investigator, or the Decisionmaker.

CONFIDENTIALITY

Recipients cannot restrict either party's ability to discuss the allegations or gather and present evidence.

Recipients must keep confidential the identity of a person who complains or reports sexual harassment, including parties and witnesses, except as permitted by law or to carry out the purpose of these regulations.

Will these responsibilities be frustrated in practice?

INVESTIGATION STEP ONE: PREPARING TO INVESTIGATE

- ✓ Notice of the grievance process, including any informal resolution process;
- ✓ Notice of the allegations, including sufficient detail (i.e., names of known parties, the conduct alleged to be sexual harassment, and the date and location of the conduct, if known) to allow the respondent to prepare a response before an initial interview;
- ✓ A statement that the respondent is presumed not responsible for the conduct and that responsibility will be determined at the conclusion of the grievance process;
- ✓ Notice of the parties' right to have an advisor (who may be, but is not required to be, an attorney) and to inspect and review evidence; and
- ✓ Notice of any provision in the code of conduct that prohibits knowingly making false statements or providing false information in the grievance process.

Written Notice **Start of Formal** **Complaint**

MANAGING AN ADVISOR'S INVOLVEMENT

- Both parties have an equal opportunity to have others present during any grievance proceeding, including the opportunity to be accompanied by an advisor who may be, but is not required to be, an attorney.
- Employees will typically have a union representative and/or an attorney represent them.
- Students may bring a parent or advisor.
- Parties should designate their advisor in writing, in advance of interviews.
- Make sure to have a pre-interview discussion with representatives/advisors about the limitations of what they can do/say in the interview.
- You may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

INVESTIGATION STEP TWO: GATHERING EVIDENCE

GATHERING EVIDENCE – COMPLYING WITH THE REGULATIONS

- Burden of proof rests on the Recipient at all times.
- Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- Cannot restrict the parties from discussing the allegations under investigation or from gathering and presenting relevant evidence.
- Must provide to any party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

GATHERING EVIDENCE – BEGIN WITH AN ORGANIZED FILE AND GATHERING RECORDS

- What records should you be asking for?
- Binders are great. Set up an automatic protocol for each investigation. A binder with pre-determined tabs and a Table of Contents that you can fill in as you go.
- Tabs: Notice of Allegations, Advisor Forms, Complainant Interview, Respondent Interview, Witness Interviews, Text Messages and Social Media, Evidence from Complainant, Evidence from Respondent, Draft Report, Final Report, Correspondence with Complainant and/or Advisor, Correspondence with Respondent and/or Advisor, Notes, etc.
- Start a Timeline and a Witness List to use throughout your investigation.
- Remember that all evidence directly related to the allegations must be provided to the parties eventually, and so keep original copies of things clean.

GATHERING EVIDENCE – PLANNING FOR INTERVIEWS

- Whom do you interview?
 - Balance thoroughness and disruptiveness.
 - Consider the nature of the allegations, ages and backgrounds of parties and witnesses, other available evidence, trustworthiness/credibility of witnesses.
 - What witnesses have the Complainant and Respondent asked you to interview?
- Begin the interview process as soon as possible.

TAKING STATEMENTS

-
- Never promise confidentiality, but explain the safety precautions the District will take (e.g., no disclosure of personally identifiable information in public records).
 - Get their story in their own words, first in general, then more specifically.
 - Follow up to get specific facts, not generalities.
 - Don't forget "anything else?"

INTERVIEWING CHILDREN

- Consider who will interview the child. Consider inviting parents to attend.
- Interview Structure:
 - Introductory--set general ground rules regarding discussion.
 - Agreement to tell the truth.
 - Reminder they should not guess.
 - Correct you if you are wrong.
 - Rapport-Building--talk about things other than the target incident.
 - Free-Recall—ask open-ended questions.
- Open-ended questions provide higher quality information.
 - Ex: “Where were the other students?” v. “Were the other students in the hallway?”
- Young students – look for the core of the story to be true; minor inconsistencies are common and do not speak to the larger credibility of the narrative.

SPECIAL WITNESS CONSIDERATIONS: DIFFICULT WITNESSES

- What if a witness refuses to cooperate?
- Press witnesses or parties on ambiguous, general answers, or nonresponsive answers.
- Make sure you have the “who, what, where, when, why, how” from each witness for each issue you investigate.

SPECIAL WITNESS CONSIDERATIONS: CONDUCTING A TRAUMA-INFORMED INTERVIEW

Trauma-informed investigating and interviewing include the following key components:

- 1) understanding the impact of trauma on a neurological, physical, and emotional level;
- 2) promoting safety and support;
- 3) knowing positive ways to respond that avoid re-traumatization; and
- 4) providing choice with a goal of empowerment.

SPECIAL CONSIDERATIONS – DELAYS

- Grievance process allows for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action.
- Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

INVESTIGATION STEP THREE: PROVIDING THE PARTIES WITH EVIDENCE

OBLIGATION TO PROVIDE EVIDENCE

- Must provide both parties an equal opportunity to inspect and review any evidence obtained as a part of the investigation that is **directly related to the allegations raised in a formal complaint**, including the evidence upon which the recipient does not intend to rely in reaching a determination.
- Must do this at this time so that each party can “meaningfully respond to the evidence prior to the conclusion of the investigation.”
- You must provide the evidence in an electronic format or hard copy and give the parties at least 10 days to submit a written response. If a written response is provided, consider it in completing your final report.

**INVESTIGATION STEP FOUR:
TURNING EVIDENCE INTO THE FINAL
INVESTIGATIVE REPORT**

- ✓ **Fairly summarize relevant evidence.**
- ✓ **Evaluate all relevant evidence objectively, including both inculpatory and exculpatory evidence.**
- ✓ **Make credibility determinations that are not based on a person's status as a Complainant, Respondent, or Witness.**
- ✓ **"Show your work" for all of the above in order to have a complete report.**

Written Investigation Report

FAIRLY SUMMARIZING RELEVANT EVIDENCE

Do...

- Be specific.
- Memorialize witnesses interviewed, records reviewed/created.
- Document the District's efforts (e.g., if a witness would not cooperate/be interviewed).
- Provide information to allow the decision maker to make factual conclusions about what happened and make credibility determinations.

Don't...

- Make determinations of responsibility.
- Be too general.
- Use legal definitions or terms.
- Refer to conversations with legal counsel.
- Refer to conversations with insurers.
- Make conclusions to make someone happy. This is our one chance to get it right.

FAIRLY SUMMARIZING RELEVANT EVIDENCE

DON'T	DO
<p>“He has the party classroom.”</p>	<p>“Mr. Jones stays after school every day for at least 1.5 hours and allows students to come to his classroom to listen to music and socialize with the classroom door shut.”</p>
<p>“He stalked her every day.”</p>	<p>“Michael left his last period class every day last week in order to be at Melinda’s class when it ended. He then followed her to her locker and out to her car.”</p>
<p>“The coach used sexual innuendo as jokes.”</p>	<p>“The coach made the comment that No. 6 and No. 9 were standing right next to each other.”</p>

TURNING EVIDENCE INTO A REPORT

ASSESSING CREDIBILITY

- Credibility is the process of weighing the accuracy and veracity of evidence.
- Evaluate the source, content, and plausibility of testimony in light of other evidence.
 - Provide facts establishing whether the witness had the opportunity and ability to see or hear or know the things the witness shared.
 - Provide facts describing the quality of the witness's memory.
 - Provide facts describing the witness's demeanor.
 - Provide facts establishing whether the witness has an interest in the outcome of the investigation?
 - Provide facts establishing any bias or prejudice that the witness may have
- **Assessment of credibility does not include making conclusions about whether a witness or evidence is credible or judging the comparative credibility of evidence or witnesses. It stops just short of that, pointing to discrepancies without deciding them.**

EVALUATING INFORMATION: EVALUATING CONFLICTING EVIDENCE

- The investigator is the finder of fact.
- Common sense and credibility.
- Consider the witnesses' opportunity to observe what happened versus hearsay.
- Consider whether testimony matches up with hard evidence such as texts, photographs, videos, social media, etc.
- Demeanor of witnesses. What do they have to lose/gain?

TURNING EVIDENCE INTO A REPORT

AVOIDING BIAS

- Distinguish undisputed evidence from contested evidence.
- Let the evidence lead to a conclusion – do not interpret the evidence with a goal to reach a particular conclusion.
- Avoid having a “hunch” from the beginning or judging based upon appearance or the “type” of girl/boy.
- Avoid “first impression bias.”
- There will be gaps in evidence – if you cannot fill those gaps, do not use your assumptions or speculation.

DETERMINATION OF RESPONSIBILITY

NEXT STEPS – AFTER INVESTIGATION

- Must give the final investigative report to both parties at least 10 days prior to a hearing, or determination, for their review and written response.
- The decision-maker either conducts a hearing or a question exchange.
- **Question Exchange:** After receiving the investigation report and before reaching a determination of responsibility, the decision maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.
 - Tip: Include information about how to submit questions in the final investigative report.
- Career centers must conduct live hearings in lieu of a written question exchange.

DECISION MAKING PROCESS – ALLOWING QUESTIONING

- The decision maker may only allow relevant questions.
- What is a relevant question?
 - “Relevance” is not generally defined in the regulations.
 - Under the Federal Rules of Evidence, evidence is relevant if:
 - It has any tendency to make a fact more or less probable than it would be without the evidence; and
 - The fact is of consequence in determining the action.

NEXT STEPS – AFTER INVESTIGATION

- Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.
- Questions seeking information that is protected by a legally recognized privilege are not relevant, unless the person being asked the question has waived the privilege.
 - Examples: Attorney-client privilege, counselor-patient privilege, doctor-patient privilege.

INVESTIGATIVE REPORT VS. DETERMINATION OF RESPONSIBILITY

Investigative Report

- The investigator should be a **fact finder**.
 - Gather the facts.
 - Provide sufficient details to provide context and information on the importance of specific evidence.
 - Explain what questions were asked, what evidence was reviewed, and why the investigator made the choices to ask those questions and review that evidence.
 - Explain what evidence the investigator believes is most important and why. Explain what evidence the investigator believes is unimportant and why.
 - Explain why the investigator thinks certain evidence or statements are more or less credible.

Determination of Responsibility

- The decision maker should be a **decision maker**.
 - Make credibility determinations, including whether parties and witnesses were telling the truth.
 - Make determinations about what happened and when.
 - Make determinations about the relative importance of facts and evidence.
 - ***Make a determination regarding whether the Respondent sexually harassed the Complainant that is supported by the facts, as presented by the investigative report and reviewed by the decision maker.***
 - ***Make determinations regarding appropriate sanctions and remedies.***

WHAT RULES APPLY TO THE DECISION MAKER'S CONSIDERATION OF THE EVIDENCE?

- Objectively evaluate all relevant evidence, both inculpatory and exculpatory.
 - “Inculpatory evidence” is evidence that shows, or tends to show, a person’s involvement in an act, or evidence that can establish responsibility.
 - “Exculpatory evidence” is evidence that tends to excuse, justify, or absolve the alleged fault or responsibility as a Respondent.
- Make credibility determinations that are not based on a person’s status as a complainant, respondent, or witness.
- Continue to presume that the Respondent is not responsible for the alleged conduct until a **final** determination regarding responsibility is made.
- Remember that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the **District**, not the Complainant or Respondent.
- Apply the standard of evidence stated in the District’s sexual harassment policy (preponderance of the evidence).

The Written Determination of Responsibility Must Include:

- Allegations potentially constituting sexual harassment;
- Description of procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- **Findings of fact supporting the determination;**
- **Conclusions regarding the application of the district's code of conduct to the facts;**
- **A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, disciplinary sanctions for the Respondent, and remedies designed to restore or preserve equal access to the district's education program or activity to be provided to the Complainant.**
- Procedures and permissible bases for the Complainant and the Respondent to appeal.

Written Determination of Responsibility

PROVIDING THE WRITTEN DETERMINATION TO THE PARTIES

- The District must provide the written determination simultaneously to the parties.
 - Must actually give the written determination to the parties, either electronically or physically.
 - Cannot just show them the report, as was often the practice in the past.
- The written determination becomes final on either:
 - The date that the District provides the parties with the written determination of the result of an appeal, if an appeal is filed; or
 - If an appeal is not filed, the date on which an appeal would no longer be considered timely.

APPEALS

GROUNDS FOR APPEAL

Both parties have the right to appeal a determination of responsibility or a dismissal for the following reasons:

1. A procedural irregularity affected the outcome;
2. New evidence that was not reasonably available at the time of the determination and could affect the outcome;
3. Conflict of interest or bias on the part of the Title IX Coordinator, Investigator, or Decisionmaker that affected the outcome.

PROCEDURES FOR APPEALS – NOTICE OF APPEAL

- A request for appeal must be made in writing to the Title IX Coordinator within **5 days** from the date of the written determination.
- Both sides are given an equal opportunity to submit a written statement in support of or challenging the outcome within **2 business days**.
- The appeal decision-maker's written decision describing the result of the appeal and the rationale for the result should be provided to both parties within **10 days** from the date the appeal is filed.

THE WRITTEN APPEAL DECISION

- What are possible results of the appeal?
 - The Determination of Responsibility is “affirmed” or “reversed” without any further investigation necessary.
 - The complaint is “remanded” to the Investigator for limited further investigation in accordance with specific instructions from the Appeal Decision.
 - The complaint is “remanded” to be assigned to a new investigator or decisionmaker due to bias/conflict.

DECIDING THE APPEAL

- The Appeal is not a Re-Do, but a Review.
 - Confine the review of the Determination of Responsibility to the specific issue raised in the Appeal and the statements the parties submitted in the Appeal.
 - The Appeals Decision Maker should not substitute his/her judgment for that of the Decision Maker, especially regarding factual determinations.

PROCEDURES FOR APPEALS – NOTIFYING PARTIES OF THE RESULT

- Issue a written appeal decision describing the result of the appeal and the rationale for the result.
- Simultaneously provide the written appeal decision to both parties within the timeline provided in the grievance process.

Recommended to include:

- Identify the basis/bases for appeal.
- Describe the **relevant** procedural steps taken from the receipt of the formal complaint to the issuance of the Determination of Responsibility.
- Describe the **relevant** findings of fact and **relevant** conclusions in the Determination of Responsibility.
- Include a statement of, and rationale for, the result as to each basis for appeal.
- Describe the result of the appeal.

Appeal **Decision**

SANCTIONS & REMEDIES

SANCTIONS

- The district may not impose any disciplinary sanctions or other actions that are not supportive measures against a Respondent until the grievance process has concluded.
- The Determination of Responsibility becomes final either on the date the appeal is resolved or the date the appeal is no longer timely.
- The sanctions must be among those listed or described in the grievance process as within the range of possible disciplinary sanctions and remedies.
- The Title IX Coordinator is responsible for effectively implementing any sanctions and/or remedies.

REMEDIES

- The Determination of Responsibility must include a statement of whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the Complainant.
- Remedies may be the same as supportive measures, but after the Determination of Responsibility becomes final, need not be non-disciplinary or non-punitive, and need not avoid burdening the Respondent.

NEW REGULATIONS – WHAT’S NEXT?

WHEN THE REGULATIONS TAKE EFFECT

- Administrative Procedure Act (APA) states that most rules are effective a minimum of 30 days after they are published in the Federal Register. Significant and major rules must be published at least 60 days prior to effective date.
- The 2020 regulations went into effect 87 days after the Rule was published in the Federal Register.
- Published October, effective January?

PENDING COMPLAINTS

- When the 2020 regulations were released, OCR advised that they only applied to conduct that happened after August 14, 2020 (the date the amendments took effect). So, if a complaint was filed after August 14, 2020, but the conduct in question occurred before it, the amendments did not apply.
- Complaints that are pending when the new regulations go into effect will likely be subject to the 2020 regulations.
- Consult with counsel on specific situations.

PROPOSED REGULATIONS: HIGHLIGHTS

- Establishes that discrimination on the basis of sex includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.
- Prohibits discrimination against any person on the basis of current, potential, or past pregnancy or related conditions, or establishing or following any policy, practice, or procedure that so discriminates.
- New anti-discrimination standard: Must take prompt and effective action to end any sex discrimination that has occurred in its education program or activity, prevent its recurrence, and remedy its effects.

PROPOSED REGULATIONS: HIGHLIGHTS

New definition of Sexual Harassment:

- **Quid pro quo harassment:** An employee, agent, or other person authorized by the recipient to provide an aid, benefit, or service under the recipient's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;

PROPOSED REGULATIONS: HIGHLIGHTS

New definition of Sexual Harassment:

- **Hostile environment harassment:** Unwelcome sex-based conduct that is sufficiently severe or pervasive, that, based on the totality of the circumstances and evaluated subjectively and objectively, denies or limits a person's ability to participate in or benefit from the recipient's education program or activity (i.e., creates a hostile environment).

PROPOSED REGULATIONS: HIGHLIGHTS

- Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:
 - The degree to which the conduct affected the complainant's ability to access the recipient's education program or activity;
 - The type, frequency, and duration of the conduct;
 - The parties' ages, roles within the recipient's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the alleged unwelcome conduct;
 - The location of the conduct, the context in which the conduct occurred, and the control the recipient has over the respondent; and
 - Other sex-based harassment in the recipient's education program or activity.

PROPOSED REGULATIONS: HIGHLIGHTS

New definition of Sexual Harassment

- Sexual assault: Meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
- Dating violence: Meaning violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
- Domestic violence: Meaning felony or misdemeanor crimes of violence committed by a person who: (A) Is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction of the recipient, or a person similarly situated to a spouse of the victim; (B) Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner; (C) Shares a child in common with the victim; or (D) Commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction.

PROPOSED REGULATIONS: CHANGES

- Creates obligation to address a sex-based hostile environment under its education program or activity, even if sex-based harassment contributing to the hostile environment occurred outside the recipient's education program or activity or outside the United States.
- Changes supportive measures to permit measures that burden a respondent during the pendency of the grievance procedures and creates an appeal process for burdensome supportive measures.
- Decisionmaker can be the Title IX Coordinator and/or Investigator. Appeals Decisionmaker remains uninvolved in the investigation/initial decision.
- Much of the rigid sex-harassment grievance procedure is only applicable to postsecondary education complaints by students.

SEXUAL HARASSMENT TOP TIPS FOR 2023 - 2024

- Do train building administrators on the definition(s) of sexual harassment.
- Do train all staff to report sexual misconduct of any kind.
- Do make sure your Code of Conduct addresses sexual misconduct that is NOT sexual harassment.
- Don't discipline for sexual harassment without following the grievance procedure.
- Don't issue no contact orders, stay away agreements, or safety plans that prohibit students from speaking about the alleged sexual harassment.
- Do review your administrative leave letters and don't prohibit a staff member from talking about the alleged sexual harassment.
- Don't use other policies/procedures to investigate allegations of sexual harassment.
- Do collaborate on whether conduct meets definitions in policy.
- Do update your policy for the new regulations.

ATHLETICS

- **April 13, 2023:** Department of Education released Notice of Proposed Rulemaking (NPRM) on athletic eligibility under Title IX.
- **October 2023:** Anticipated publishing date for proposed Athletics regulation.

PROPOSED TITLE IX ATHLETIC REGULATION CHANGES

- Policies that categorically ban transgender students from participating on athletic teams consistent with their gender identity will violate Title IX.
- Schools may adopt policies that limit transgender students' participation in instances of competitive high school and college athletic environments.
- Schools will have flexibility in adopting a policy for participation depending on age of students and competitive nature of sports.

PROPOSED TITLE IX ATHLETIC REGULATION CHANGES

- If a recipient adopts or applies sex-related criteria that would limit or deny a student's eligibility to participate on a male or female team consistent with their gender identity, such criteria must, for each sport, level of competition, and grade or education level: (i) be substantially related to the achievement of an important educational objective, and (ii) minimize harms to students whose opportunity to participate on a male or female team consistent with their gender identity would be limited or denied.
